Explanation - Montana Board of Crime Control (Justice System Support) - The net fiscal impact of this amendment is \$0. This amendment changes contingency language in the bill related to the amount of funding that would be added back to the MBCC if HB 230 is not passed and approved. The effect of this amendment is to reduce funding for 2.00 FTE positions regardless of action on HB 230. A funding reduction for operating costs (rent and board member per diem) continues to be contingent upon passage and approve of HB 230. There is also a funding increase in the Judicial Branch for Guardian Ad Litem that is contingent upon passage and approval of HB 230.
